ABOUT THE SUMMIT

In our world where fraud and other digital crimes are rapidly increasing and the means are becoming more complex. Being left behind and not knowing the schemes may be detrimental to you and that of your company.

Three organizations (ISOG, ACFE-Philippines Chapter and ISACA-Manila), united by their respective advocacies, have bonded together to bring you a conference that will address these concerns. This two-day conference will be held on October 21 & 22, 2015 at the InterContinental Hotel. We will have topics and distinguished subject matter experts to discuss on the latest in cutting edge learning technologies and training methods that will prepare and give you the vital information needed to avoid being victims (of these schemes).

Network with your peers and our invited sponsors to discuss additional learnings that you can share with them. And prepare for our exciting networking games and prizes that you might need to further prepare you for the uncertain...
